Addendum to West River Montessori School Contract 2020/2021 School Year August 11, 2020

It is the Board of Directors priority to ensure the safety of our faculty, students and families at West River Montessori School (WRMS). We are complying with all State regulations, but please note that things are subject to change in this addendum as the State continues to evolve new guidelines. We will continue to adjust regulations accordingly and be sure to communicate any changes or developments as they come to light.

In the instance that we develop a positive case within the school, we will perform a two week shut down of the school. In the instance that the State shuts down the schools, we will follow all regulations and guidelines that they set forth.

Financial Policies & General Financial Information

Tuition is billed for 10 months with the first month starting in September and last month ending in June. Tuition is due on the 15th day of each month. Payments after the 15th will be assessed a \$30.00 late charge. The WRMS reserves the right to deny admission of any student if payments are overdue by more than 30 days.

If for any reason you feel you need to remove your child from WRMS due to situations related to COVID19, you will be expected to pay for the remainder of the month and then won't be penalized after that.

Extended Day Program

Extended care program will be offered in 2-week or monthly installments. If your schedule changes and you opt for the 2-week form, your payment is due up front. If you opt for the monthly form, your payment will be added to your monthly statement. To comply with new regulations, we will not be able to admit any students to the extended care program who submit forms and/or payments late.

Due to the need for increased sanitation, we will need to adjust our hours accordingly. We apologize for any inconvenience, but WRMS will not be offering before-care. We are offering aftercare, however there will not be a "lunch hour" at this time. Pick up time options are 12:00pm or 3:30pm. There will be no extended care program offered on Wednesdays so the school can be closed for a deep clean.

Pre-K Aftercare Program: 12:00pm - 3:30pm \$16.00 per day
