West River Montessori School Leisure Travel Expectations

Dear WRMS Families,

As we face challenges we never have before, we ask for your assistance to maintain the safest and healthiest educational environment for our staff, the children and their families. We understand that some of you may have leisure travel plans for the upcoming academic school year. If your child has traveled to a yellow or red area, your child should not attend in-person school unless they have observed a 14 day quarantine. If your child has traveled to a blue spot, your child should not attend in-person school unless they have observed a 7 day quarantine.

Please visit <https://accd.vermont.gov/covid-19/restart/cross-state-travel> for assistance in travel guidance. This is subject to change as new guidelines and regulations develop throughout the year and we will do our best to keep you updated if any changes occur.

Thank you for your understanding and assistance as we keep everyone safe!

Sincerely,

WRMS Board of Directors and Staff
